**MEMORANDUM FOR: Assistant Director/Office of ELINT**

**SUBJECT: OEL FY 1964 Office Estimates**

1. The revised wording seems quite satisfactory.
2. It occurs to me that one justification to increased expenditures and more people, and in general further justification of our ELINT activities, would be that which is in direct support of OSA. I think it is obvious that their programs are going to require increased direct support by your office both in men and money. Besides this is always a popular subject.
